

Half Day / Full Day

Vehicle Signalling and Manoeuvring (FM-011)

**FLEETMASTER
GROUP**

COURSE OBJECTIVES

Manoeuvring, parking and reversing slow speed collisions are some of the most common accidents experienced by drivers. This training is designed to help colleagues who are tasked with assisting other colleagues in slow speed manoeuvres whether this be during loading, parking or navigating around site providing support as a banksman. The training ensures that sufficient skills and knowledge are in place to take control of the situation and control slow speed activities in a safe manner that is understood by all involved.

WHO SHOULD ATTEND?

Vehicle operators who will assist in guiding other colleagues with slow speed manoeuvres on or off site.
