

Course description

The course takes place at any suitable location selected by the booking manager.

Training covers the variety of driving environments found on UK roads and is supported by in vehicle theory to cover the essential understanding of UK road signs, speed limits and safe driving etiquette that is required to ensure their safety and the safety of other road users whilst driving.

Delivery is handled by our nationwide team of expert trainers, who use a blend of theory and on-road practical training to identify areas of concern in driver behaviour, advise on ways to improve and demonstrate a range of advanced driving and defensive driving techniques.

Digital assessment reports are accessible to employers post training and provide the detail of the training and a risk rating to help employers manage their ongoing risk removing the unknown.

Who is the course for?

Foreign licence holders who will be driving a company vehicle, or colleagues who are inexperienced with UK driving conditions.
